**•From Mastery to Proficiency: Shifting the Paradigm**

Professional Booklet: With thousands of copies in circulation nationally as well as internationally, this seminal booklet has influenced language instruction for decades. Once listed on the 'Recommended Reading' list of the Northeast Conference for the Teaching of Foreign Languages, this short 39 page work succinctly makes the case for the shift from 'Mastery' instruction to 'Proficiency'. It has been used as a primary text in language teacher preparation courses around the nation.
