From Mastery to Proficiency: Shifting the Paradigm

With thousands of copies in circulation nationally as well as internationally, this seminal booklet has influenced language instruction for decades. Once listed on the 'Recommended Reading' list of the Northeast Conference for the Teaching of Foreign Languages, this short 39 page work succinctly makes the case for the shift from 'Mastery' instruction to 'Proficiency'. It has been used as a primary text in language teacher preparation courses around the nation.

Price: \$7.00 Shipping is included in the price.

FESTEJEMOS

(approximately 2 combined hours in length)

Each of these 10 original Spanish raps is sequentially designed to present a specific linguistic function such as greetings, ordering food, phone conversation, etc. Each rap vocal is followed by the instrumental version so your students can karaoke the verses themselves or, perhaps, even create their own raps!

Price: \$10.00 each
