**-In Search of Language: Enhancing Language Acquisition in the Classroom**

A new professional development book written by John De Mado for language educators. Available in March 2018! Good for a language teacher's mind and soul! If you have enjoyed De Mado's workshops and published articles, you will love this book! An insightful opportunity to reflect profoundly and to laugh uproariously! Informative, forthright and a good read.

**-From Mastery to Proficiency: Shifting the Paradigm**

Professional Booklet: With thousands of copies in circulation nationally as well as internationally, this seminal booklet has influenced language instruction for decades. Once listed on the 'Recommended Reading' list of the Northeast Conference for the Teaching of Foreign Languages, this short 39 page work succinctly makes the case for the shift from 'Mastery' instruction to 'Proficiency'. It has been used as a primary text in language teacher preparation courses around the nation.
